

# Student Extravaganza!

**Do you know what an Extravaganza is?** *It's a spectacular, elaborate production ... and that's what we're planning for **YOU!***

**WHO:** Firm Owners, Freelance Reporters, Official Reporters, Captioners, CART Reporters, Student Support People

**WHEN:** Friday, April 25, 2008 ~ 6:00 p.m. to 9:00 p.m.

**WHERE:** Denver Academy of Court Reporting ~ 9051 Harlan St., Unit 20, Westminster, CO

**WHY:** To lend support to our students and give them guidance and encouragement as they continue in their journey in court reporting school. To better prepare them for their future careers in the courtrooms, in freelance arenas or in the corporate world.

## **HOW:**

**PROFESSIONALS:** Each firm owner, freelance reporter, official reporter, captioner, CART reporter will have their own classroom at the school for the duration of the evening. Students will mingle from room to room and meet with you. They may ask you questions about reporting techniques, reporting procedures, interning opportunities and professional policies. Your overall suggestions to help them succeed in their court reporting program are welcomed. *This is an opportunity for You to share your expectations and experiences in Your Field of Expertise!*

**STUDENTS:** Students are encouraged to bring **one** guest to this event. This person should be someone that supports you in your education and in your career goals: a spouse, significant other, parent, friend, mentor (*no one under 18 years of age, please*). There will be a classroom of "Support People" that have been through the process of supporting a student in the past ~ people like my husband, who has been invaluable to me throughout this process! These "Support Hosts" can help your guest understand how court reporting school is different from other college programs and how to best come alongside and support you through your journey.

Allow your guest some time to be in the "Support Room", but also include them on your stroll through the classrooms as you meet with professionals.

**WINE & CHEESE:** **How much FuN is that?!** We have a vendor hosting a classroom providing wine tasting opportunities. Come visit, partake of the wine and cheese, non-alcoholic drinks and other munchies. *What a great way to spend Friday night!*

This promises to be a positive and motivating time for the students and they truly appreciate any time we can spend with them. Please plan to join us ~ we look forward to seeing you!
